READY ON DAY 1

PRIORITIES

1. SUSTAINABLE DEVELOPMENT + AFFORDABLE HOUSING

Real estate development in Scarborough-Agincourt is one of the most vibrant things that is happening in our City. As I have been involved in all of the proposed site applications for our Ward, I understand the process, the challenges, as well as the great benefits that sustainable development can have on our community. I will ensure responsible development - including affordable housing opportunities - for our community and for generations to come.

士嘉堡——爱静阁的发展是我们市内最具活力的。我参与了士嘉堡——爱静阁所有拟议开发项目的会议。我们既满足社区的需求，又为经济适用房提供可持续发展的机会。我相信我们共同努力为本区带来正面的发展，并为我们的社区和子孙后代创造住房机会

2. BRIDLETOWNE COMMUNITY HUB APPROVED

Funding for the Bridletowne Community Hub (BCH) was allocated by the Provincial and Federal governments in 2020. The land has been given by the City of Toronto, the site plans have been approved, and Construction of the Hub is scheduled to begin in the near future. The Bridletowne Community Hub will house the Scarborough Grace Hospital's dialysis program as well as a YMCA, community agencies, and a childcare centre. I will continue to work towards the completion of the Bridletowne Hub.

联邦和省府已分派了Bridletowne社区中心（BCH）的资金，多伦多市府也已分配了土地，并且批准了总设计图。该枢纽的建设计划将在不久的将来开始。Bridletowne社区中心内设有士嘉堡慈恩医院的透析程序，以及基督教青年会、社区机构和幼儿园。我将继续努力工作，让Bridletowne社区中心竣工。

3. ICE RINKS + NEW WATERPARK

Ward 22 is rich with parks and recreational opportunities, however, there are no outdoor rinks. Like all great public spaces, outdoor rinks provide a welcoming space for communities to gather, socialize, play, and be physically active. I am committed to getting outdoor rinks in our community since, now more than ever, the need for safe, public outdoor recreational spaces has become apparent.

KIDSTOWN, the only water park operated by the City, is undergoing plans to be completely overhauled. I worked on securing funding for this renewal and will continue to work with stakeholders and City staff to deliver a unique experience for our children.

22区拥有多个公园和康乐场所，但是没有室外溜冰场。像所有大型公共场所一样，室外溜冰场为社区提供了一个温馨的聚会、社交、玩耍并且能积极运动的场所。我致力于在我们的社区中建造户外溜冰场。KIDSTOWN是多伦多市府唯一目前正在计划升级的水上乐园。我曾为此次升级争取资金，并将继续与利益相关者和市府工作人员合作，为我们的孩子们提供独特的体验。

4. SUPPORT SMALL BUSINESS

One thing is clear: small businesses have been hit the hardest due to COVID-19. It has impacted our daily lives both physically and mentally.

Although these lockdowns are required, we must ensure that we survive and emerge from this pandemic ready for any challenge ahead.

I am committed to working with small businesses in Scarborough-Agincourt to ensure a robust economy. During these extraordinary times, let us all continue to support our local businesses as they provide us with essential services.

这件事是很明确的——由于新冠肺炎，小型企业受到了最严重的打击。它不仅影响了我们的身心健康还影响了我们的日常生活。为确保所有人的安全而实施的封锁对我们的企业界造成了负面的影响。虽然封锁是必须的，但我们也要确保我们的商界能够像以往一样强大地生存下来，并从现在这种大流行病的环境中脱颖而出。我将与我们工商界的成员合作，确保有切实可行的措施来协助我们的企业度过这次难关。我致力于与士嘉堡爱静阁的小企业合作，以确保经济发展。在这非同寻常的时刻，让我们大家继续支持本地企业，因为他们为我们提供必要服务。许多企业为我们提供路边提货、在线订购和送货上门等服务，他们都表现出卓越的领导能力和创新能力。

5. NO MARIJUANA STORES

For the last 15 years, I have fought against illegal grow ops in our neighbourhoods. Since the legalization of marijuana, I have advocated against the presence of retail stores in our community due to the influence they have on minors. I will continue to fight against marijuana retail outlets in order to protect our youth and places of worship.

我强烈反对在22区里任何的大麻零售点。大麻零售点在我们区中没有立锥之地。在过去的15年中，我一直抗击大麻屋。我将义无反顾地反对在士嘉堡——爱静阁开设大麻零售点。

6. PROTECT SCHOOL ZONES

Traffic calming measures in and around school zones are very important to me. We must do whatever possible to protect our children. Many schools in Ward 22 already have measures in place and I have worked hard to bring them about. I will continue to meet with school principals, parents, and residents to ensure that our schools have these measures, so that our children are able to travel to and from school safely.

I am committed to continuing the Vision Zero programme as it is an vital tool in protecting our kids.

对于我来说，校园内和周边的交通稳静措施非常重要，我们必须尽一切努力保护我们的孩子。22区的许多学校已经有了相应的措施。我曾为这些学校附近的交通稳静措施工作并提供帮助。我将继续与校长、家长和居民会面，确保我们区内所有的学校都采取安全的交通稳静措施，保证我们的孩子安全地往返学校。“零愿景计划”是保护我们孩子的重要手段。我将一如既往地致力于提供比平常更多的交通稳静措施。

7. NEW SCARBOROUGH GRACE EMERGENCY ROOM

For many years, Scarborough Grace Hospital has been under threat of closure. Having worked closely with Provincial and Federal government officials, the community, stakeholders, and hospital administration, we were successful in not only having the emergency department saved from closure but also modernized. The Grace will now receive a new and expanded state-of-the-art emergency wing. I will continue to advocate for this essential service for our community.

多年来，士嘉堡慈恩医院一直因为九十年代初期的合并而面临关闭的威胁。曾与联邦政府官员、省政府官员、社区、利益相关者和医院行政管理部门紧密合作，我们成功地挽救了医院，医院不仅不关闭，而且还将扩建一个新的最先进的急诊翼。
