

**NICK MANTAS** | CITY COUNCILLOR

---

WARD 22, SCARBOROUGH-AGINCOURT

June 26, 2026

## **Statement on the Earthquakes in Venezuela**

I am deeply saddened by the devastating earthquakes that have struck Venezuela, causing tragic loss of life, widespread destruction, and displacing countless families from their homes.

Our thoughts are with everyone affected, especially those who have lost loved ones and those still awaiting news. We also recognize the courage of first responders, medical personnel, and humanitarian organizations working tirelessly on the ground.

Toronto is home to a vibrant Venezuelan community whose contributions enrich our city every day. To those here anxiously awaiting word from family and friends: you are not alone. Our community stands with you.

In moments like these, we are reminded that compassion knows no borders. May the people of Venezuela find strength in one another, and may the international community continue to support rescue, relief, and recovery efforts.

On behalf of the residents of Ward 22 - Scarborough-Agincourt, I extend our heartfelt condolences to all those affected. We stand in solidarity with the people of Venezuela and pray for the safety of those still awaiting rescue, for the recovery of the injured, and for healing in the days and weeks ahead.

Nick Mantas  
City Councillor, Ward 22 - Scarborough-Agincourt
