MANTAS2021

SCARBOROUGH-AGINCOURT

Nick has been a resident of Scarborough-Agincourt for over 20 years and has worked, with great determination, to advance our interests for the last 15 years. In this time, he has had the honour of serving you as a federal constituency assistant and as chief of staff for the former Ward 22 Councillor. Along with his educational background in economics, finance, and government, he has amassed a great deal of knowledge and practical know-how. He has supported and advocated for your needs at all levels of government, in business, and through non-profit advocacy work. Nick understands the challenges, goals and concerns of our community and will always put your interests first.

Dear Neighbour,

As a resident of Scarborough-Agincourt for more than 20 years, it would be my privilege to continue to serve you. I am passionate about our community and I want to be your voice on City Council.

I pride myself as an active listener who can articulate and bring forward the concerns of Scarborough-Agincourt residents. My shared goal with you is to build a better, stronger, and more united community; one that not only thrives economically, but also maintains the diverse culture of the 'small town' neighbourhoods that have been built over the years.

With your support, I will work to improve our neighbourhoods - the heart of where we work, raise our families, and educate our children, so that we may continue to enjoy all the great amenities this City has to offer.

I am committed to work diligently to increase safety, improve roads, upgrade our playgrounds and green spaces, and make sure that Scarborough-Agincourt receives its fair share of revenue when it comes to vital infrastructure - like roads, water systems, and more.

Our community is evolving and major projects, such as the Sheppard Subway, will bring much needed infrastructure. Over the past 15 years, I have worked with residents, all levels of government, and business owners to ensure that our priorities are heard.

My commitment to you is that I will serve you with fairness, transparency, honesty, and integrity. After many years of working for our community, I hope that I can count on your support as we move forward together. I am dedicated to making Scarborough-Agincourt a better place to live, work, and play. Let's take a collaborative approach as a community.

亲爱的邻居们:

我作为居住在士嘉堡——爱静阁 (Scarborough-Agincourt) 20年以上的居民, 能继续为你们服务是我的荣幸。我对我们的社区充满热情, 并希望能在市议会中成为你们的声音。

我很自豪自己是一个积极的聆听者, 能够清晰地表达并提出士嘉堡——爱静阁居民所关注的事宜。我与你们的共同目标是建立一个更好、更强大和更团结的社区; 一个不仅经济繁荣, 并且保留着多年建立起来的、多元文化的“小镇”社区。

在你们的支持下, 我将不懈地努力改善我们赖以养育我们的家人、教育我们的孩子、工作、以及能安全地享用市府所提供的所有便利设施的社区。

我致力于维护社区安全、改善道路、升级游乐场和绿色空间, 并确保士嘉堡——爱静阁在重要基础设施 (如道路、供水系统等) 方面获得应有的份额。

我们的社区正在不断地发展, 如Sheppard地铁之类的重大项目将带来急需的基础设施建设。15年来, 我与当地居民、各级政府、企业主合作, 确保我们的优先事项得到听取。

我对你们的承诺是: 我将以公平、透明、诚实和正直的态度为你们服务。我为我们的社区服务多年, 在此希望能够得到你们的支持, 携手共进。

我将永远把士嘉堡——爱静阁居民的利益放在首位。我致力于让我们的社区成为一个更好生活、工作及康乐的地方, 因为我爱这里, 也住在这里。让我们一起共建更美好的社区。

SAFETY

Traffic

The safety of our community is paramount. A safe community not only sees a reduction of crime and injury, but helps to build a strong, cohesive, and vibrant place to live. I will work with you to help make Scarborough-Agincourt a safer place by implementing the City's Vision Zero Safety Plan. This will improve road safety by moving traffic more efficiently while protecting pedestrians, cyclists, and school safety zones.

Police

I will continue to work with the women and men of the Toronto Police Service, 42 Division, as they work tirelessly to ensure our safety. I will take a responsible and collaborative approach in how funding is allocated and how resources are deployed. We must ensure that our officers are trained in the most modern methods and continue to be reflective and respectful of the diverse community that we are.

Safety of person and property are rights that I will protect and advance!

ECONOMY

Jobs and Businesses

Prosperity and growth rely on a lively job market. I will work towards attracting new, forward-thinking, 'high-tech' businesses to Scarborough-Agincourt, while also helping to foster the advancement of on-the-job skills training. Moreover, our small businesses must be supported and respected as major contributors to economic growth and advancement. Supporting local businesses, attracting bigger industry, and nurturing a vibrant workforce will help ensure that our Community is the best possible place to live and work.

Tech and Innovation

As our economy shifts towards a cleaner, more technologically-oriented model, I will work closely with all types of businesses and educational institutions to bring new jobs and incubation projects to Scarborough-Agincourt. We need to adequately respond to the rapid pace of the technological transformation of our work and social spaces. It's time to move forward so that no one is left behind in the innovation economy.

PLANNING FOR THE FUTURE

Development and Infrastructure

My goal is clear: help foster a comfortable and prosperous present, while we pursue an optimistic and bright future. I will work with residents, City staff, and developers to move projects forward that will be beneficial to our community. Developers promote growth and bring beneficial change to our Ward. In working with them, my priorities will include ensuring maximum allocation of affordable housing units. In respecting local, national, and international environmental goals, I will work with the building industry to ensure usage of sustainable, low-carbon building methods. My priorities also include infrastructure renewal, notably including roads, water mains, water pressure flow, and utilities.

Transit and Traffic Flow

Effective public transit is vital to a successful community. As such, I will continue to support significant public transit projects, including the Sheppard subway extension. Additionally, through technology and infrastructure renewal, I will push for traffic signal co-ordination to reduce gridlock for commuters.

Parks

Green space is vital to the health and well-being of our entire community. Several parks in Scarborough-Agincourt are due to be upgraded and I will work to ensure that these upgrades are completed, and maintained, to the highest standards. As we continue to grow, I will work towards developing new parks and recreational areas throughout our community.
